### 4) Critical analysis of the business plan

- Identifying key factors for success and risk factors.
- Making contingency plans.
- Implementing simulations and assessing their impact.
- Feasibility and sustainability assessment.

## TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

## ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

## TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

## TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

## ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Do you need special accessibility accommodations? Contact Mrs. Fosse, Disability Manager, at [psh-accueil@ORSYS.fr](mailto:psh-accueil@ORSYS.fr) to review your request and its feasibility.

- Calculating the project's abandonment cost.

*Hands-on work : Case study Critical analysis of a business plan: Points that show clarity, missing information, etc.*

#### 5) "Selling" the business plan

- Highlighting the project's distinctive features and intrinsic value.
- Proof that the financial estimates are sound and reliable.
- Formal drafting: Form and substance, creating an impactful, meaningful document.
- Oral presentation: Types of presentation, tools to use to gain confidence and win over people.

*Hands-on work : Hands-on work Simulated oral presentations of your business plan to a bank.*
